

This gallery was originally published in Legend 28, Spring 2005

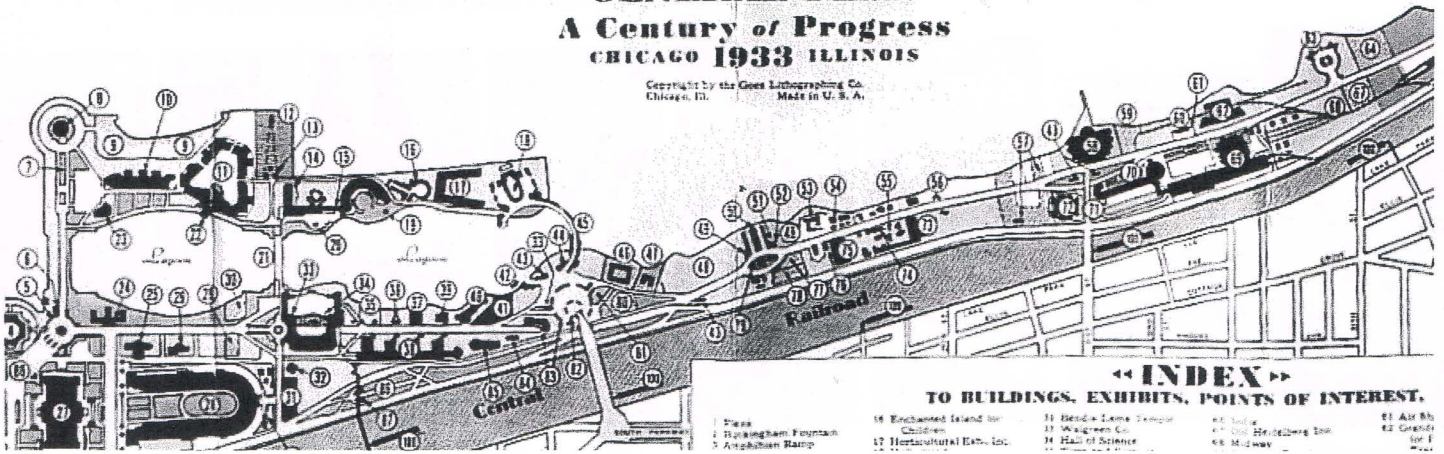

Maps of the Century of Progress Exposition, Chicago, 1933-1934
and the California Pacific International Exposition, San Diego, 1935-1936
 RMCA Legend number 28, Winter, 2005, compiled by Dave Leach and Richard Horwitz

Maps of the Chicago and New York fair were often included as part of the regular Chicago city map. Many of the companies issued versions for each of the years. In order to show a greater variety of maps, generally only one of the years is shown

Century of Progress site map by Rand McNally taken from the map issued by Hansen Oil Company of Milwaukee.

The legend on the left is taken from the Cities Service map of Chicago and the Century of Progress. Note the symbols which were used to mark the various access routes in the region.

The site map for the California Pacific International Exposition comes from the Hancock Oil map for the expo. The vignettes around the border are the major exhibit buildings.
