

INSTRUCTIONS FOR DONATING YOUR OLD ROAD MAPS

Please note that there is little collector interest in most recent AAA maps and National Geographic maps. Although some older tourist maps and brochures can be collectible, we are not the best market for these, nor topographic maps.

Common map donations are auctioned or sold at our bargain tables during our annual meeting to help defray our operating expenses such as web hosting and publication of our newsletter. Thank you for thinking of us!

If you would like a receipt for your maps please include an address and email address inside your package of donated maps.

If you have ANY QUESTIONS about which maps to donate or low cost shipping options please email us at donations@roadmaps.org

You can mail your donated road maps to:
